

Changes Made to EER (according to phase 1 feedback):

- Removed PERSON entity: removed PERSON entity and moved attributes to USER and ADOPTER entities
- Added ADOPTION and REJECTION entities: added ADOPTION and REJECTION entities as disjoint subclasses of APPLICATION
- Moved attributes to ADOPTION: DecisionDate, Fee, and IsFeeWaived were moved from APPLICATION to ADOPTION entity accordingly
- Change BirthDate to Age: change Dog attribute from BirthDate (date) to Age (integer for months)
